

To: Keystone State Anabaptist Leadership Team

We are into the New Year 2010, and again I submit to you the following information for your observation and use in your role of leadership and responsibility in the church.

Pennsylvania is #1 in the Anabaptist World USA with 51 sub-groups, 1,464 congregations, etc., and a membership of 167,615 souls. Ohio is next with a membership above 99,000.

Nationwide the totals are now 6,398 and 645,562. The largest congregation in the state is the Franconia church, in the Franconia conference, in the village of Franconia, with a membership of 721.

Please contact me if you might have more current information.

Servanthood is one of the major tenets of our Christian Anabaptist faith. Let us serve and work together to continue that calling.

Sincerely,

C. Nelson Hostetter
